

Media Advisory: Micron SSD Market Update

July 10, 2013 at 12:00 AM EDT

BOISE, Idaho, July 10, 2013 (GLOBE NEWSWIRE) --

What Micron Technology, Inc. (Nasdaq:MU), one of the world's leading providers of advanced semiconductor solutions, today announced an upcoming webcast to provide an update on the growth of Micron's solid state drive (SSD) business. Glen Hawk, vice president of its NAND Solutions Group, will discuss Micron's position and view of the market, while Allen Holmes, the vice president of NAND Solutions Group Marketing and Edward Doller, vice president and chief memory systems architect, will also comment on the company's SSD engineering and marketing roadmap.

Audio and slides from the session will webcast live from Micron's Investor Relations website at investors.micron.com. The webcast will also be archived on the site and available for replay.

When Thursday, July 18, 3:00 p.m. ET (Noon PT)

Who Speakers:
Glen Hawk, VP NAND Solutions Group
Allen Holmes, VP of NAND Solutions Group Marketing
Edward Doller, VP and Chief Memory Systems Architect
