Micron CEO Mark Durcan to Provide Enterprise Storage Update in Online Webcast

ADVISORY, April 07, 2016 (GLOBE NEWSWIRE) --

Who

- | Mark Durcan, President and CEO, Micron Technology
- | Darren Thomas, Vice President and General Manager, Storage Business Unit, Micron Technology

What

Today's data center infrastructure needs new solutions to address the demands placed on it by a connected world. These solutions should be designed from the ground up using memory, flash storage and storage class memory.

Micron's Mark Durcan, Darren Thomas and other leaders will provide a company update on its storage business, unveil new products, and outline new solutions that show how flash storage and memory solutions are transforming the data center.

When

Tuesday, April 12, 2016
11 A.M. Eastern
