Explanation of Responses:

- Withholding of shares of common stock to satisfy tax withholding obligations in connection with the vesting of performance restricted stock units awarded under the Issuer's 2004 Equity Incentive Plan.
- The Compensation Committee certified achievement of the pre-established performance goals at a level resulting in a vest of 100% of the total target shares under the performance-based restricted stock units previously awarded on October 16, 2019. As reported at grant, the performance-based restricted stock unit could result in a payout that varies based on actual achievement of the goals, subject to a 200% aggregate limit on the payout of target shares.
- Each performance-based restricted stock unit represents the right to receive, following vesting, a percentage of one share of common stock based upon the achievement of pre-established performance metrics related to NAND over a 3-year performance period beginning August 30, 2019 and ending on September 1, 2022 (subject to a 200% aggregate limit on the total target shares that may be received under the performance-based restricted stock units awarded on October 16, 2019), and certification of such performance by the Compensation Committee.
- Each performance-based restricted stock unit represents the right to receive, following vesting, a percentage of one share of common stock based upon the achievement of pre-established performance metrics related to relative total shareholder return over a 3-year performance period beginning August 30, 2019 and ending on September 1, 2022 (subject to a 200% aggregate limit on the total target shares that may be received under the performance-based restricted stock units awarded on October 16, 2019), and certification of such performance by the Compensation Committee.
