FOR IMMEDIATE RELEASE

Elpida Statement Regarding Reports of FY 2010 Financial Results

Tokyo, Japan, April 15, 2011 – Elpida Memory, Inc. (TOKYO: 6665) has issued a statement clarifying that reports in the media today regarding the company's financial results for fiscal 2010 are not based on the company's own announcement.

In addition, Elpida Memory has not released a financial results forecast for fiscal 2010 because DRAM products are subject to severe price fluctuations, making it difficult to forecast future market trends with any degree of accuracy. Elpida will release its preliminary financial results as soon as the most accurate figures have been obtained.

The company plans to announce the actual results for fiscal 2010 on May 12.

About Elpida

Elpida Memory, Inc. (Tokyo: 6665) is a leading manufacturer of Dynamic Random Access Memory (DRAM) integrated circuits. The company's design, manufacturing and sales operations are backed by world class technological expertise. Its 300mm manufacturing facilities, consisting of its Hiroshima Plant and a Taiwan-based joint venture, Rexchip Electronics, utilize the most advanced manufacturing technologies available. Elpida's portfolio features such characteristics as high-density, high-speed, low power and small packaging profiles. The company provides DRAM solutions across a wide range of applications, including personal computers, servers, mobile devices and digital consumer electronics.
